

SENATE AGRICULTURE

EXHIBIT NO. 2

DATE 2-19-2009

BILL NO. SB415

Dear Mr. Chairman and Members of the Committee,

Thank you for allowing me to come and testify against SB415. My name is Thomas Ticknor, and I am 9 years old.

We already have one state insect, and that should be enough. We should only make laws if we really have to. Another state insect is not something that we really need, so please vote no on Senate Bill 415.

Thank you,
Thomas Ticknor
